

## Additional FRANCE SPECIFIC application procedure for academic year 2023-24

Master programme applicants residing in one of the countries listed [HERE](#), must also carry out a national application procedure for France (which is the first semester MaIA programme country destination) and which is called:

➔ The **Etudes en France (Studying in France)** procedure, managed through **Campus France** Links:

<https://www.campusfrance.org/en/application-etudes-en-france-procedure>  
[https://ressources.campusfrance.org/pratique/eef/en/Je\\_Candidate\\_en.pdf](https://ressources.campusfrance.org/pratique/eef/en/Je_Candidate_en.pdf)  
<https://www.campusfrance.org/en/espaces>

This France specific procedure comes **in addition to the MaIA Master programme application**. These are two separate processes and have different deadlines. Start them timely and simultaneously. **Studying in France** application period: **October 1, 2022 – January 1, 2023\***

\*This deadline may vary from one country to another. See with your local Campus France office for confirmation and assistance/further information.

❖ If you **reside in one of the countries affected by** the *Studying in France* procedure:

- Follow the Campus France link informing you about the *Studying in France* procedure and create your account (top right in red part of the banner):

<https://www.campusfrance.org/en/application-etudes-en-france-procedure>

- Access the *Studying in France* platform to apply (see link below).

**Sign up** (if not done yet), **sign in** (top right), and **start your application procedure**:
